Dear Customer,

Please note that NSE Clearing Limited, National Stock Exchange of India Limited, and BSE Limited have introduced an additional exposure margin in the equity derivatives segment as part of the revised risk management framework.

Parameter	**Details**
Additional Exposure Margin	15%
Applicability Criteria	Top 10 clients exceeding 20% of Market Wide Position Limit (MWPL)
Effective Date	May 29, 2026
Margin Applicability	Higher of exposure margin or existing surveillance margin

The list of applicable securities can be accessed here: Click here

Key impact on trading:

- Margin requirements may increase for positions in the affected securities.
- Existing and new positions in these securities will be subject to the revised margin framework.

Please take note of the above and plan your trades accordingly.
